

10,000+ Professionals, across the globe, used our training solutions to enhance their Skills and Excel in their career ...

CORPORATE TRAINING

VERSION : 0814-11

Business

Skillogic is one of the leading training providers of professional certification training solutions across the globe. We help organizations to empower employees by providing practical knowledge using theoretical concepts. Our "Convenience & One-Stop solution" theme, ensures that they get the best trainings, by one of the best professionals, at the best time and the best place of your choice.

We achieve this by providing amalgam of Classroom and Online instructor-led trainings, video-learning, simulation tests and many more. By knowing your needs we cater to a wide variety of your aspirations through these various channels.

We provide wide certification courses in Business Analytics, Project/Program Management, ITIL, Agile, Six Sigma & many more. While managing a wide range of products we give Quality utmost importance by ensuring that you are trained by the world class faculty who are from the prestigious B-schools such as IIMs, ISB. Most importantly our faculty bags practical average work experience of 15 years working with Fortune 500 companies. Be assured to get the best value for money

Our Vision

Our vision is to be globally regarded as a leading organization working towards fulfilling educational needs of working professionals and students
